## DigiFUNcollab - Developing digital-Self- learning Courses in Social Entrepreneurship for the future of collaboration between University and Community

### *Project aim*

The DigiFunCollab project aims to develop an innovative self-learning digital course in social entrepreneurship for students and interested higher education staff, thereby strengthening universities' civic engagement and participation in their regional communities. This goal is aligned with the EU agenda for Higher Education (Priority 2), which focuses on enhancing the social role of universities in the community.
